**SUPPLEMENTARY INFORMATION:** On April 26, 1999 (64 FR 20234), HUD published a **Federal Register** notice announcing the establishment of the Negotiated Rulemaking Advisory Committee on Capital Fund Allocation. The April 26, 1999 notice also announced the committee members, and the dates, location, and agenda for the first committee meeting. The purpose of the committee is to discuss and negotiate a proposed rule that would change the current method of determining the allocation of capital funds to public housing agencies (PHAs).

The second and third meetings of the negotiated rulemaking committee will take place as described in the **DATES** and **ADDRESSES** section of this notice.

The agenda planned for the committee meetings includes: (1) defining the goals for the Capital Fund formula; (2) discussing the various methods for translating these goals into a formula-based allocation system; and (3) the scheduling of future meetings.

In accordance with the General Services Administration (GSA) regulations implementing the Federal Advisory Committee Act, HUD normally publishes a **Federal Register** meeting notice at least 15 calendar days before the date of an advisory committee meeting. The GSA regulations,

however, also provide that an agency may give less than 15 days notice if the reasons for doing so are included in the **Federal Register** meeting notice. (See 41 CFR 101-6.1015(b).) Due to the difficulty in obtaining suitable hotel and conference room accommodations in the Washington, DC area during April, 1999, it has not been possible for HUD to announce the date and location of the second committee meeting before today. Given the October 1, 1999 statutory deadline for implementation of the Capital Fund formula, HUD believes it is imperative that the negotiations for development of the formula not be delayed. Failure to publish the Capital Fund final rule on a timely basis will delay the provision of capital subsidies to PHAs. Accordingly, rather than defer the negotiations, HUD has decided to proceed with the second committee meeting on May 11 and May 12, 1999.

The meetings will be open to the public without advance registration. Public attendance may be limited to the space available. Members of the public may make statements during the meeting, to the extent time permits, and file written statements with the committee for its consideration. Written statements should be submitted to the address listed in the **FOR FURTHER INFORMATION** section of this notice. Summaries of committee meetings will be available for public inspection and copying at the address in the same section.

Dated: May 5, 1999.

*General Deputy Assistant Secretary for Public and Indian Housing.*
